

The Key Benefits of Becoming a **Prosure360 Member**

The Key Benefits of Becoming a Prosure360 Member

At Prosure360, we pride ourselves on the partnerships we have cultivated over the years. Since we work with such a wide range of different businesses, we are able to offer our Prosure360 members a wealth of benefits.

In this brochure, we will summarise who we are partnered with as well as the corresponding benefits which Prosure360 members can enjoy.

William Martin

William Martin create next-generation property compliance by fusing clever health & safety consultancy with smart technology, so their clients can grow. Compliance, without the compromise. Prosure360 members benefit from preferential rates on all William Martin services, including health and safety assessments as well as training and software; this would allow you to access:

- ✔ Cutting-edge software solutions.
- ✔ Expert health & safety consultancy.
- ✔ An advanced risk management platform.

barbour

Barbour EHS is a trusted and comprehensive provider of regulatory information, guidance and resources who support their clients wherever they are in the world. Through their knowledge of complex legislation and flexible resources, they empower their clients to simplify and manage their EHS compliance. As a Prosure360 member, you will be eligible to a first-year discount of 15% off all Barbour services; this means you can benefit from:

- ✔ Regional legislation and guidance from over 600 trusted and official industry sources.
- ✔ Informative how-to guides to help you remain compliant.
- ✔ ISO gap analysis tools.
- ✔ A legal register facility with pre-populated templates and training tools.

FLEETMAXX SOLUTIONS

Fleetmaxx Solutions is a truly independent fuel card services provider, working with most of the major fuel brands in the UK. Whether you have one or thousands of vehicles on the road, Fleetmaxx can help you reduce your running costs. As a Prosure360 member, you'll benefit from:

- ✔ Discounted fuel cards meaning you could save up to 10p per litre.
- ✔ Discounts on mobile phones and vehicle camera systems.
- ✔ Access to card guard.
- ✔ Discounts off mobile phones.
- ✔ Vehicle and asset tracking.

VinciWorks

VinciWorks is an online training solutions provider established in 1990. They offer over 600 innovative online training courses, covering topics such as; health and safety, compliance and performance. They also provide training on these topics and others for international markets as well.

Through VinciWorks International, you and your staff can access the following selection of accredited courses, free of charge for 90 days:

- ✓ Asbestos Management; explore how to mitigate the risk of asbestos exposure.
- ✓ Fire Safety; explore the causes of workplace fires and how to handle them.
- ✓ Manager's Overview of Health & Safety; how managers can affect health & safety culture.

Unlike other trials, as a member of Prosure360, you will be able to complete courses and download your course certificates of completion.

As a Prosure360 member you can get certified for the above 3 courses completely FREE and without obligation.

In addition, you can also purchase unlimited courses with VinciWorks using your Prosure360 10% discount.

Optima Health manage employee health risks, helping people and the organisations they work for be the best that they can be. Support your workforce to thrive with occupational health expertise on-demand. Optima Health Direct allows you to easily purchase a range of services and products online to help you support the health and wellbeing of your staff. There are no tie-ins or contracts.

As a Prosure360 member, you can benefit from a 10% discount off Optima Health services, allowing you to support your workforce to thrive with occupational health expertise. This can help:

- ✓ Improve sickness absence.
- ✓ Reduce costs.
- ✓ Access expert manager support.

Fortus are business advisors and accountants with over 40 years of experience, a decade of which they have spent being part of a top 20 accountancy firm. They have honed their skills and developed their service offering to deliver a much wider range of bespoke support and advice to ambitious business owners and their businesses.

As a Prosure360 member, you can book a free 1:1 one hour consultation session with a senior member of the Fortus team to discuss your accounting requirements. Fortus will look to understand your business and the accounting services you require. Fortus will be your business partner, providing insight and advice delivered in a recommendation report. And, if you become a client, you'll receive a 10% discount in your first year.

Healthy Performance are partnered with Prosure360 and are dedicated to supporting businesses in future-proofing their wellbeing strategies.

From Healthy Performance is MyWellbeingCheck®, the first Body, Mind, Work and Life assessment tool that also includes newsletters, webinars and 24/7 resources. With an admin dashboard to monitor data, trends and hotspots, it's the ideal digital solution to drive employee engagement, proactively tackle employee health and wellbeing across your organisation, and build an effective workplace wellbeing strategy.
